Indoor Venues

COLORADO RIVER BANQUET ROOM

Overlooking the Colorado River, our largest indoor meeting space, the Colorado River Banquet Room features tiled floors, a 19-foot vaulted ceiling, nine picture windows, and a private outdoor deck. Located on the second floor of the main lodge, this room is ideal for formal banquets as well as large informal gatherings.

COLORADO RIVER BAR, LOUNGE

On the first floor of the main lodge, easily accessible and highly convenient, our cocktail bar and lounge area provides an ideal venue for social gatherings, perfect for cocktail hour, hors d'oeuvres, and small to medium-sized informal events. This area is used for myriad events, including working lunches and meeting breaks, as well as wedding parties and receptions. For larger groups, consider renting the Castle Rock Media Room and/or the Colorado River Deck in combination with the bar and lounge area.

CASTLE ROCK MEDIA ROOM

With its many windows and incredible views of the Colorado River, this is one of our most popular meeting spaces! The Castle Rock Media Room offers full audio-visual and telecom abilities, plus the added convenience, comforts and amenities of its location in the main lodge. This room can be set up for meetings or converted to dance space for weddings and celebrations. The Castle Rock Media Room can also be rented in conjunction with the Colorado River Deck and/or the Lounge & Bar Nun.

PROFESSOR VALLEY BANQUET ROOM

Located on the second floor of the main lodge, across from the Colorado River Banquet Room, the Professor Valley Banquet Room is cozier and more intimate, ideal for smaller banquets, though with its outdoor and enclosed decks, this room can also accommodate medium-sized informal gatherings. As the sun sets, Convent Mesa seems to glow, making the views from the Professor Valley Banquet Room some of the best on the ranch!

Outdoor Venues

COLORADO RIVER DECK

The convenience and scenery of the Colorado River Deck make it Moab's most incredible venue for barbeques, banquets, and ceremonies, with all the conveniences of the lodge close at hand. At 2,400 square feet, the Colorado River Deck can accommodate most small to large groups, and can also be rented in conjunction with the Barbeque Lawn, the Castle Rock Media Room and/or the Lounge & Bar Nun.

RIVERSIDE TERRACE

Our Riverside Wedding Terrace is designed for intimate outdoor ceremonies. A comfortable seating area and unique "stage" framed by two large boulders, combined with a scenic backdrop make this an ideal venue for a picture-perfect wedding or renewal of vows ceremony.

FISHER TOWERS PAVILION

The Fisher Towers Pavilion is without a doubt the choice location for large wedding receptions, benefits, conferences, seminars, concerts, and more. With 4,800 square feet of space, exquisite lighting, and a complete sound system, the pavilion is ideal for dancing and musical events, and has been recognized as the favored venue by Moab Music Festival musicians and patrons alike. Views of lush green fields and red rock towers ensure that anyone seeking the best event setting in Southeastern Utah will not be disappointed!

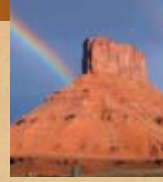

EVENTS LAWN

For larger ceremonies, the Events Lawn provides ample outdoor seating next to the Colorado River. Lush green lawns and red rock views create a special ambiance you and your guests will remember for years to come.
